

THE BIGGEST TOYOTA SEQUOIA

PERFORMANCE

Superior power performance, driving stability, and high-quality riding comfort were realized by combining a newly developed 5.7-liter V8 engine with Toyota's largest engine displacement with equipment such as a newly developed 6-speed Sequential Shiftmatic transmission and a newly developed platform.

STABILITY

F1 platform

POWER TRAIN

The newly developed 6-speed Sequential Shiftmatic transmission automatically changes the shift pattern according to road conditions or your intention, providing a linear shifting.

The fun of an excursion with friends is not at the destination. It's on the comfortable journey along the way. Sequoia has the spacious interior that has given shape to this concept.

Spacious Interior Provides Deluxe Comfort for All

You can fold the second- and third-row seats to a fully flat position, creating a wide cargo space that can hold even long objects. This flexibility makes the Sequoia a practical vehicle for all your carrying needs.

*Fully flat configuration available on models with leather seats.

Interior Dimensions (LxWxH) : 3270 x 1680 x 922 mm

7 Seater Configuration
